Dear Comrades

**PROCEEDINGS OF THE 6TH CENTRAL COMMITTEE MEETING OF
CANARA BANK OFFICERS' UNION
HELD AT HOTEL PARK INN, COIMBATORE
ON 12TH AND 13TH SEPTEMBER 2015.**

The 6th Central Committee meeting was held on the 12th and 13th of September 2015 at Hotel Park Inn, Coimbatore.

The CC Meeting was presided over by Com P R Rajagopal, President of our Union. Com M A Srinivasan General Secretary welcomed Com S Nagarajan General Secretary All India Bank Officers' Association, Com GV Sambasiva Rao, President, Canara Bank Employees' Union Com C S Venugopal Deputy General Secretary, Canara Bank Employees' Union, Com Sasidharan, President Coimbatore District Bank Officers' Association to the dais.

The meeting paid floral tributes to the portrait of Com R J Sridharan, and also observed two minutes silence to pay homage to the departed souls during the relevant period.

In his Presidential address Com P R Rajagopal , after setting the house to order placed that the CC Meeting is being held immediately after the successful conclusion of the 7th Joint Note for wage revision for Officers and our important demand of two Saturdays Holidays in a month has been implemented. He sought the cooperation of the CC Members for the smooth conduct of the CC Meeting. He called upon the meeting to discuss the agenda of the membership mobilisation as the Priority issue for strengthening of the organisation. In his presidential address, he was very critical about the new development of degeneration in the philosophy of Trade Union concept in our Bank. Com President felt that it is nothing but natural that the so called majority organisation for officers, after forgetting, neglecting , ignoring its primary duty, as a trade union organisation to fight for the rights of the Officers community, (as a survival strategy,) is trying to don the role of the Bank Management, floated recently, a new outfit under a nomenclature 'CANPAL' which directly dilutes the authority of the Corporate Office of the Bank, engages itself in Managerial functions, by fixing quantitative targets to the branches and directly encourages in collection of money by outsiders who are not (at present,) employees of the Bank. He informed that Our Organisation had already taken up the matter with the Bank to disallow such undesirable and unethical activities done in the name of the Bank, violating and flouting the norms of RBI and Finance Ministry.

Com S Nagarajan, General Secretary, All India Bank Officers' Association in his address to the Central Committee, highlighted the dangers the Banking industry is facing in general and the officers' community in particular. The decision to issue licence to 11 payment banks and the decision of the Gyan Sangam towards privatisation of the Public Sector Banks are the immediate dangers before the Banking fraternity, he asserted.. He thanked the Officers community under the banner of AIBOA for making the 2nd September 2015 Strike call of the working class a grand success. He greeted and congratulated Canara Bank Officers' Union for fulfilling its financial commitment by paying the 1% of the wage revision Levy to AIBOA, on the date of receipt of the levy from our members.

Com G V Sambasiva Rao, President of Canara Bank Employees' Union, in his greeting to the CC Meeting, elaborated the need for the Officers Workmen Unity to ensure and preserve the Public Sector Character of the Banking Industry and lauded that AIBEA and AIBOA at apex level and CBEU and CBOU at bank level are the examples for the same. He warned the Officers community against the exploitation of the Officers in our Bank by the so called majority Officers' organisation in the name of CANPAL and endorsed the views expressed by Com P R Rajagopal on the issue. He assured the august body that CBEU will continue to extend all its unstinted support for strengthening the Canara Bank Officers' Union .

Com CS Venugopal Deputy General Secretary Canara Bank Employees' Union in his greetings, expected that the CBOU shall become a force to reckon with as it is the organisation which delivers goods to the officers community. He wanted the CC members of CBOU to effectively function organisationally in their respective states/areas and they may also use of social media to spread the messages among members who are stationed in branches which will help them with up to date information on organisation.
