Dear Sir

Sub : TRANSFERS 2014 - OUR SUGGESTIONS

Further to our letter CBOU: 02: 2014 dated 08 02 2014 we suggest the following for the Annual transfers 2014.

1. There are 500 Officers promoted from Clerical Cadre during this year 2014 . Such promote Officers may be provided placement to nearby circles based on the age.
2. It is also a fact that our Bank is going for a substantial expansion of branches and it is expected that by this fiscal end our number of branches will be 5700 from the present level of 5000.
3. In view of the opening of new branches especially at Northern states, our young Probationary Officers who are working in South India may be given preference and those who have completed 1 year of service in South India be given their choice of place or their native state.
4. IBPS has released list of selected Officers for bank and these POs who are to join our Bank during this year may be given placement in those areas where Prob Officers have already completed 1 year and above.
5. The Lady Officers/Managers who are transferred out of their state are to be brought back to their native state after completion of 2 years.
6. Allotment of Officers/Managers to all circles including intra state circles.
7. Transfers on one to one basis be done away with except on genuine grounds and only allotment basis transfers are to be ensured.

Thanking you

Yours faithfully

M A SRINIVASAN
GENERAL SECRETARY
