Dear Comrades,

Com.RJS

Fifth Remembrance Day

Memorial Lecture on 15.06.2018

It was on 15.06.2013, **Com.R.J.Sridharan** our beloved leader had his last breath. Five years have rolled down and we are yet to get over the loss, as he has been a leader for officers' community and in particular to our organisation AIBOA.

Com.RJS with Late Com.P.K.Menon was instrumental in getting all the Joint Notes on Wages for Officers along with other officers' organisation by impressing the IBA and Government.

Com.RJS was an enabler in bringing one more option for pension during April 2010 and cleared the deadlock that has arisen on account of sharing of the cost by PF / Pension optees.

Today AIBOA has become a strong force to reckon with and the entire officers in the industry are looking at AIBOA, it is all because of Late **Com.RJS**.

In order to perpetuate the memory of **Com.RJS**, AIBOA has arranged a memorial lecture on “**The impact of the policy of the Government on Public Sector undertakings**” by **Com.D. Lenin**, former GS, AIYF on 15.06.2018 at **Com.C.S.Hall, A.K.Nayak Bhavan, Chennai - 600001** at 10.30 am.

We urge upon all the affiliates to ensure participation of our members in the memorial lecture without fail.

With Greetings,

Yours Comradely,

(D.S. GANESAN)

General Secretary
