Very good morning. Our union strongly believes in the principles of maintaining conducive relationship with the administration without compromise. At the same time, it is the bound and duty of the union to express and record the appreciations to the administration whenever the act of the administration is towards the well being of the employees.

Under this context, we record our whole hearted appreciations and thanks to the Chennai circle administration for the most compassionate role played in the matter of demise of our member due to covid 19.

Sri K Rishikesan, Manager, Tamilnadu Pollution control board branch Guindy Chennai passed away untimely on 24.09.2020 at 6.30 a.m after hospitalisation on 13.09.2020 due to covid 19 infection. With grief sticken heart, the sad news was informed to all the near and dear as well as the circle administration.

From that moment, the circle administration was in full swing in addressing the procedural aspects to be adhered towards settlement of all the entitlements to the bereaved family. In real terms, the family members and the representatives of the deceased officer were virtually chased by HRM section for getting the relevant papers for Covid 19 special insurance death claim settlement of Rs.20 lac.

Exactly on the seventh working day after the demise, when the family members were performing the rituals, it is informed by circle administration that the special insurance claim of Rs.20 lac has been settled and credited to the account of the widow of the deceased employee.

Our union appreciates this stupendous feat of humanity exhibited by Chennai circle management towards the bereaved family of the deceased employee.
